

Module 13a Version 2: Release Notes

Content

Technique	Update
Hook and Cradle Guide Angled turn	Replaces “Elbow Turn”
Object Removal	Removed – High risk if people use it to de-weaponise. Could be taught in the same way as Parent-grip release to interrupt movement if required
Doorways	Removed – Moved to Holding Skills
Rail Grips	Removed – Moved to Holding Skills

Implementation

Area	Implementation
Trainers	No Training Required - Release Notes & Resource Familiarisation
Programmes	Immediate Update - no approval required
